AAU Faculty Member Chair of IEEE MTT-S UAE Chapter

Dr. Nazih Khaddaj Mallat, Head of the Department of Networks & Communications Engineering and Computer Engineering at Al Ain University of Science and Technology (AAU), has received the official approval from "IEEE" to create the IEEE Microwave Theory and Techniques Society (MTT-S) Chapter in UAE. The chapter is listed in the IEEE database and recognized by the IEEE MTT worldwide community. This came alongside Dr. Nazih's participation in the IEEE MTT-S meeting in Nuremburg, Germany.

In the same context, Dr. Nazih, the chair of UAE chapter, has held the 1st meeting at AAU - Al Ain Campus where the Executive Committee of the chapter was formed. The IEEE UAE MTT-S chapter is scheduled to organize several activities and technical presentations in collaboration with specialized local companies.

Further, the Executive Committee of the chapter, in collaboration with Al Ain University of Science and Technology, is preparing for an IEEE International Workshop to be held in February 2014 with international speakers from Canada and Germany delivering plenary talks about Wireless Communications and Electric Vehicles in addition to laboratory simulation using Matlab and Simulink.
