“Khalifa” Library organizes an Orientation Week

Khalifa Library at Al Ain University of Science and Technology organized “Library Orientation Week” in Al Ain campus for the new academic staff and freshmen students who joined AAU at the beginning of the academic year 2018-2019.

During the orientation, the faculty members and students were briefed about the electronic resources and services provided by the library, such as; e-books and e-journals and how to access and use them. They were also introduced to library facilities and equipment available at the library, including, Wi-Fi, computers, and discussion rooms.

Mr. Aboulaye Kaba, Library Director, commented on this week and said: “AAU libraries are equipped with important databases and it is our duty to inform faculty members and students how to use them effectively”.
