Joint cooperation between Al Ain University and University of Dhaka

Al Ain University signed a memorandum of understanding with the University of Dakha in order to strengthen bilateral cooperation in the common academic aspects.

The MOU was signed by Dr. Adel Ahmed, Dean of the College of Business at AAU, and Prof. Shibli Islam, Dean of the College of Business at the University of Dakha, in the presence of Prof. Ghaleb El Refae, AAU President, and academics from both universities.

The aim of this MOU is to promote and exchange knowledge and research between the two parties through the exchange of faculty, exchange of graduate or undergraduate students; exchange of scientific materials, publications, and information, in addition to organizing joint activities, conferences and academic programs.

Prof. El Refae said that the agreement comes in line with AAU vision and mission and reflects

its strategy in making strong collaboration with academic institutions, enhancing academic resources and services. Thus contributing to the promotion of knowledge and experience exchange. He, also, stressed on the keenness of Al Ain University to support scientific research and engaging with the society, in order to improve the quality of education in the United Arab Emirates.

For his part, Dr. Adel Ahmed pointed out that signing this MOU with the University of Dhaka comes within the framework of the pursuit of Al Ain University in general and the College of Business in particular to develop the student's knowledge through exchanging information and knowledge between the two universities, as well as; integration with the outside community and enhance their communication skills through exchange Students and training courses.

After signing the MOU, Prof. Al Refae presented a shield of thanks and appreciation to the delegation of the University of Dhaka, wishing them further progress and scientific prosperity.
