## **Group Coaching Session entitled: Build your Future**

The College of Engineering organized a Group Coaching Session entitled: Build Your Future at Al Jawhara Theatre, presented by Dr. Ziad Hunaiti, a qualified coach from the University of Cambridge, UK. Moderated by Dr. Mohammad Daoud, the session covered coaching concepts and definitions, methodologies, and applications.

During the session, Dr. Hunaiti provided an example coaching session on achieving study and work goals in the UK. This allowed students to gain a proactive approach toward effective planning for their future. Attendees also had the opportunity to ask questions and discuss their ideas and inquiries.
