Chess Championship

The Deanship of Student Affairs at Al Ain University (Al Ain campus), in collaboration with the Al Ain Chess and Mind Games Club, organized a chess championship for university students. The tournament reflected the University's commitment to promoting student activities and developing students' mental and intellectual skills.

The championship featured a highly competitive atmosphere, showcasing the participants' level of concentration and strategic thinking, drawing interest and engagement from students. At the conclusion of the championship, the winners were honored for their outstanding performance and to encourage them to continue participating in sports and mental activities.

This event is part of the Deanship of Student Affairs' efforts to promote a stimulating university environment, offer diverse activities that contribute to developing and students' abilities, refining their skills, and promoting positive competition and sportsmanship.
