Dean's Message

I am delighted to welcome you to the College of Engineering (CoE). The College offers 6 degrees programs, which provide a solid knowledge in Engineering as well as Information Technology. All our programs are accredited by the CAA (Commission for Academic Accreditation) of the Ministry of Education - UAE. Moreover, two programs ("B.Sc. in Networks & Communication Engineering", and "B.Sc. in Software Engineering") are currently accredited by ABET. Sought worldwide, ABET's voluntary peer- review process is highly respected because it adds a critical value to academic programs in the technical disciplines, where quality, precision, and safety are of the utmost importance. Our College considers this international accreditation as a step in its journey to improve the quality of its services to highest possible standards available.

The graduates of our College will have the ability to work in different major sectors such as computer, communications, Networks, Electronics, Software, Information Technology, Cybersecurity and different Civil Engineering disciplines. Our College possesses a team of experienced and well-qualified faculty members, who are totally committed to provide an excellent quality of educational experience to our students.

In our College, we will do our best to ensure that your time at AAU is a success and that your future as a creative professional engineer becomes a reality.

Dr. Qutaibah Althebyan

Dean, College of Engineering
